MCL/4-Earth™ NEW WAREHOUSE MANAGERS BOAST 30 YEARS OF COMBINED PRODUCE INDUSTRY EXPERIENCE

Los Angeles, CA — MCL/4-Earth™ is excited to announce the hiring of two new members to the MCL/4-Earth™ management team, Mr. Ray Jackson and Mr. Brian Bolstad.

Mr. Jackson and Mr. Bolstad have been hired as Warehouse Managers, and together have over 30 years of produce industry experience.

“Brian and Ray will bring welcome relief to a management staff that has worked tirelessly 24 hours a day, 6 days a week since we started shipping and receiving product 24/6 over two years ago”, said Robert Lake, MCL/4-Earth™’s COO/EVP. “We look forward to applying the knowledge, ideas, abilities and talents they have brought with them to our quality control process and overall operations.”

Mr. Jackson, previously with a produce industry leader based in the Los Angeles area for over 27 years, brings vast knowledge and management experience to MCL/4-Earth™. Mr. Jackson plans to use his experience with specialty produce to expand the abilities and knowledge of MCL/4-Earth™’s already stellar warehouse staff. Focusing on inspecting at receiving, production, and customer satisfaction, we are confident Mr. Jackson will take MCL/4-Earth™’s warehouse to new levels of quality and efficiency.

Mr. Bolstad grew up in a produce distributing family. After distinguished and decorated tours of duty in Kosovo and Iraq with the U.S. Army, Brian worked for a major produce and nut distributor in Los Angeles. Brian brings to MCL/4-Earth™ enthusiasm, discipline and focus to his new position as Warehouse Manager. Brian looks forward to applying his leadership and structure skills to the MCL/4-Earth™ warehouse staff to build teamwork and organization.

MCL/4-Earth™ has grown from its founding in 1993. It is one of Los Angeles’ leading growers and distributors of fine organic and specialty produce to the retail and food service industries under its 4-Earth™ brand. MCL/4-Earth™ lines include Asian, Chilies, Fruit, Herbs, Latin, Organic, Mushrooms, Onions, Potatoes, Squash, Vegetable, and Specialty products. It also houses an extensive value-added packing department, and is QAI Certified to handle organic products.
